

Machinery Breakdown (Consequential Loss)

Business Interruption is also known as Consequential Loss. This insurance protects against financial loss in the event that the insured is not able to carry out business operations following the breakdown of machinery during the defined period (indemnity period).

Who can benefit from this insurance cover ?

All employers who make use of plant and machinery in their operations and who would be exposed to financial loss in the event of such breakdowns.

NB: The above is for information purposes only. Please consult your insurance company or insurance broker for details and information and assistance.

The information was compiled from online sources (local insurance company websites) and product literature on insurance products that are available in the Zimbabwean insurance market.
