

Business Interruption

Business Interruption is also known as Consequential Loss. This insurance protects against financial loss in the event that the insured is not able to carry out business operations as a result of specified perils, which may include fire at the insured's premises.

Who can benefit from this insurance cover ?

All employers.

NB: The above is for information purposes only. Please consult your insurance company or insurance broker for details and information and assistance.

The information was compiled from online sources (local insurance company websites) and product literature on insurance products that are available in the Zimbabwean insurance market.
